Brussels

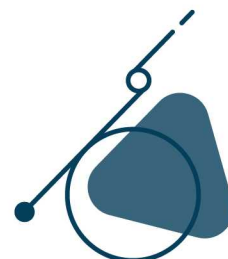

Friday, 23 December 2022

Course details

Workload: 4-5 hours

Description: <https://academy.europa.eu/courses/exploring-the-european-school-education-platform>

Organiser: European School Education Platform <https://school-education.ec.europa.eu/>

Learning Objectives & Activities

Module 1

The learning objectives of this module are:

1. Gain a deeper understanding of the design and structure of the different PD formats
2. Understand how the PD formats relate to each other
3. Explore each of the ESEP PD formats in more depth
4. Understand the benefits of taking part in the PD offer.

Module 2

The learning objectives of this module are:

1. Find registered people on the ESEP and validated eTwinners
2. Find registered organisations on the ESEP and schools participating in eTwinning
3. Discover European education trends through eTwinning teachers and projects
4. Search for partner schools and organisations in eTwinning countries to carry out collaborative projects.

Module 3

The learning objectives of this module are:

1. Learn about the recognition opportunities that ESEP offers
2. Become familiar with the Labels that are being awarded to European teachers
3. Become familiar with the awards that offered to teachers and students for their outstanding work
4. Discover the Insights section.

Module 4

The learning objectives of this module are:

1. Assessing your knowledge on the previous modules' learning objectives
